Biography

Linda Oktaviani is an Indonesian educator and researcher with a strong passion for education and curriculum development. Her dedication to the field is evident in her pursuit of a master's degree in Educational Management.

civic education at Universitas Negeri Yogyakarta, reflecting her commitment to furthering her knowledge and expertise.

Linda's focus encompasses curriculum enhancement, instructional materials development, and the implementation of interactive teaching models for civic education (Pancasila and civics education), as well as moral education. Her work showcases a dedication to improving teaching methodologies and fostering a more engaging and impactful learning environment.

By exploring innovative approaches in both Pancasila and civics education, along with moral education, Linda aims to shape well-informed, morally grounded, and engaged citizens. Her efforts highlight the crucial role of education in promoting civic awareness, moral values, and active participation in society.
